

**United Way Capital Area
Austin, Texas**

Manager, Financial Stability

Make a real difference by bringing community resources together to create opportunities for individuals and families to prosper. United Way Capital Area seeks a creative, high energy individual to play a key role in our financial stability work including our new Bank on Central Texas initiative.

Six month position, 20 hours per week, \$24/hour. Expertise in research, writing, and data analysis. Strong public speaking and meeting facilitation skills. Must be comfortable working with people of diverse interests and backgrounds; planning and community development experience required. Master's degree preferred and at least four years related experience in economic development, asset building, and/or financial education.

Apply online at http://www.unitedwaycapitalarea.org/about_us/employment/. No phone calls please.
