

UWT BACK-OFFICE SUPPORT

Why Back-Office Support?

Every business has operational and administrative tasks that take time away from mission focused activities. Outsourcing back-office tasks to UWT will free up your time to better serve your community and focus on what your UW does best. UWT back-office services leverage our expertise in nonprofit best practices, and an understanding of the uniqueness of United Way.

Financial

Provide financial consulting services including financial reviews, budget preparation and forecasting, financial reporting, etc.

Operations/HR

Analyze and provide efficiencies to support internal controls, operational policies, assist with staff recruitment and training, etc.

Accounting

Identify efficiencies in accounting process and procedures, pledge processing, reconciliation, monthly accounting, etc.
